

# “Swachh Bharat – What’s Working”

*(Collective Inputs from 350,000 strong Swachh Bharat Circle)*

1. The spirit of making the country clean has been awakened in many people
2. Schools are teaching children to keep their surroundings clean
3. School going children are throwing the garbage only in dustbins now
4. Workers of some municipal corporations can be seen working with better equipment
5. Railway stations are a bit cleaner now
6. More dustbins can now be seen in major markets
7. The awareness about keeping the surroundings clean is increasing
8. People are participating in community services to clear area of garbage
9. Some municipalities have started segregating waste at source
10. Some citizens have also reported the inside of trains is a bit cleaner now
11. Corporates are also now paying more attention towards cleanliness inside and around their offices
12. Some people have started keeping bins in their cars and do not throw garbage from moving cars on the roads
13. Many people have started carrying jute bags to buy vegetables and fruits instead of accepting them in plastic bags.
